Daet, Camarines Norte, Bicol | +639-943-441-429 | johnerwinalbos@gmail.com | je-digi-portfolio.netlify.app

PROFESSIONAL EXPERIENCE

Full-Stack Developer

August 2023 - Present

Freelance

- Developed responsive websites and mobile applications for multiple clients across student projects, organizations, and small businesses, following the SDLC and improving client satisfaction.
- Designed and deployed full-stack web, mobile, and IoT systems across multiple schools, delivering over 15+ award-winning projects recognized at regional, national, and international levels.
- Developed 2D and 3D graphic designs to support user interfaces, presentations, and project visualization.

IT Consultant & Developer

June 2025 - January 2026

Outsourcing

- Consulted and successfully deployed a client-focused IoT system (Water Filtration System) at E-Konek / CODExA OS Labs, integrating ESP8266 microcontroller, Firebase, and mobile app interface.
- Enhanced employee workflow at GRACE (Global Resources for Assessment, Curriculum, and Evaluation) by identifying and resolving PASS binary issues in Macro, such as formatting and computation errors.

Web Developer Intern

February 2025 - May 2025

Provincial Government of Camarines Norte - Governor's Office

- Built a document management system that increased employee workflow efficiency by 70%-80%, reducing manual workload and enabling faster document management and automated report generation in PDF, Excel, and chart formats.

PROJECTS

- **HRAssist** - Developed a web-app Human Resource Management Information System for the LGU of San Vicente, Camarines Norte to streamline HR processes, track employee records, and manage leaves and payroll efficiently using React, JS, HTML, CSS, Firebase
- **CNSC Rule-Based Document Prioritization** - Built a web application for Camarines Norte State College that enhanced the document tracking and prioritization, enhancing workflow across offices, departments, and staff using Laravel Framework PHP, CSS, and MySQL Database.

EDUCATION

Bachelor of Science in Information Technology

August 2021 - June 2025

Camarines Norte State College

- Academic Distinction Awardee
- Best in Capstone: "StitchIt: An Educational Mobile Application for Tailoring Student"

Certifications: Google AI Essentials Certificate (2024), Bicol IT Students Congress (BITSCON) 2024
